

**CHANGE
HER WORLD**
If you want to change the world... start with her

YOUR DONATION MATTERS!

**Educating girls and young women
means life and health not only for
themselves but for their families as
well!**

Linda Willis and Carol Hamilton, co-founders of Change Her World, have witnessed, first-hand the impact that gender inequality has on girls and vulnerable women in Northern Malawi, Africa. It prevents them from attending school, learning a self-sustaining skill, accessing health services or seeking justice through the laws of their land.

CHANGE HER WORLD is there to assist them in becoming educated, meeting their health care needs and seeing that justice is achieved.

**A general donation, a gift in memory of
a loved one or a gift given in recognition
of someone special,
is a wonderful gesture of honour.**

This gift will bring hope, healing and an education, thus giving the promise of a brighter future, to girls and women in need.
